Riddles

At the gateway where anticipation ignites
Amidst the aroma that perks up the senses
Day pass
Loftey Heights
Grand in the open air
The domain of equine rest and care
Amidst the realm of ponies and heights, discover me where equine stature takes flight.
In the realm of triumph and scores, seek me where achievements adorn the walls.
Within the vibrant realm of transactions
In the realm of musical freestyles and dance, discover me where equestrian artistry enchants
Within the refreshing realm of aquatic reprieve, seek me where showers cascade and relaxation achieves.
Find me near the festival's hub
Arena in the outer realm
Seek me where knowledge is shared
You'll find me where riders prepare
Find me in the equestrians haven
Seek me where eventers rest
Down the drain the water flows, ponies stamping as you wash away woes.
You'll find me where porcelain gleams
Round and round you might go but look beyond and you will find me near.
Bin here bin there, start mucking about and you'll find me there.
Commitment is needed to find me now. When you 2 need a rest by an arena so fair, sit and go under to find.
